

Handcrafted Collection

Add a unique and personal touch to your door with our bespoke collection of handcrafted brass knockers.

Designed to harmonize with our classic door furniture, each knocker is crafted with a similar, though not identical, colour palette, ensuring a complementary yet distinctive look. Made from premium brass, these knockers are built to last, developing a one-of-a-kind patina as they age. More than a functional detail, these accents make a refined statement, adding both style and personality to your Superidoor.

Colour match with Standard Furniture

Our Handcrafted finishes are backed by a generous 2-year warranty, offering protection against corrosion while allowing the brass to naturally patina, adding depth and character over time. This finish is designed to age gracefully, creating a unique look that enhances its charm as the years go by.
